Jesus Feeds 5,000 People
Mark 6:30-44; John 6:1-14

The disciples brought to Jesus a boy's lunch of five barley loaves and two fish. Jesus told the people to sit down in groups on the green grass. Jesus took the food, blessed it, and had the disciples pass it out to the people. They all ate and were full. There was enough food for everyone, and there was even some left over. The disciples picked up twelve baskets full of broken pieces of bread and fish.

Family Roundup
Watching advertisements may lead us to believe that we are wanting in some ways. Our Bible account today reminds us that Jesus provides what we need when we need it. Read the Bible narrative on the back page with your child. Talk about ways God provides for your family. Keep a family journal or calendar. Write down when you notice God providing in both ordinary and amazing ways. In addition to your daily prayers of thanks, celebrate and decorate the dinner table or have a special dessert! Talk about the words generous and provide. God not only generously provides for our physical needs, but He also generously provides what we need most—grace. He provided His Son, Jesus, to take our sin away so that we can join Him at the eternal feast. Jesus provides. Now and forever.

Lesson 2
