

6 Ways to Use Liguori's STAY-AT-HOME PARISHIONER CARE PACKAGE

Let them know they're missed and not forgotten in your faith community!

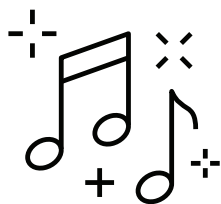

SEND A NOTE

Send a handwritten message. Include items that you feel are unique to the needs of the person.

CHURCH-SIDE PICKUP

Email or call parishioners to let them know that pre-packaged gifts are available at the church entrance for easy pickup.

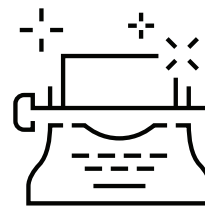

HAVE A SUNDAY PARADE!

Share some drive-by happiness! Gather volunteers to create signs with inspiring messages, inflate some balloons and make some joyful noise in front of church, or have parishioners drive by the homes of those who stay at home. Prepare a special 'swag' bag to share as a gift.

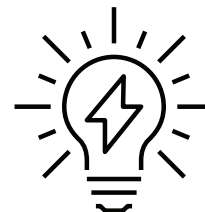

DELIVER A GIFT

Fill the enclosed gift bags with items that fit the needs of the recipient and deliver it to their doorstep.

INCLUDE WITH YOUR PARISH BULLETIN

Insert bookmarks, pamphlets and other smaller items as bonus material in the church bulletin or newsletter.

INSPIRE VOLUNTEERS

Share the contents of the care package with volunteers and allow them to find creative ways to connect with stay-at-home parishioners.

Let them know they're missed but not forgotten in your faith community!

Elderly and medically vulnerable parishioners are advised to remain at home during the coronavirus pandemic, but they long to return to church.

YOU MISS THEM & THEY MISS YOU!

Each kit includes over 100 items Pastors and Active Parishioners need to give the gift of Catholic reading and devotionals to help the homebound stay connected.
